Sexy Ex On The Prowl

Abbi is newly divorced and back on the prowl! After 10 years of the same ol' missionary "love making", she can't wait to get out, and find a guy that's willing to bang her brains out! It's too bad her ex didn't appreciate her rocking body and her insatiable desire. Too bad for him that is because it didn't take her long to find a fuck buddy aiming to please.

Abbi

Being poorly fucked after all this time, really made her want to try anything and everything! She didn't have to wait long.

She always knew she was an awesome cock sucker, but couldn't show off her talents in the boring marriage was in. She practically drooled at the thought of loading her mouth with some hard meat.

It’s a good thing she stayed in shape all this time, she can take cock however she wants it! And boy did she want it.

Getting fucked like an animal, turned her wild, moaning in utter bliss at the cock pushing deep into her tight twat.

After this new experience she is ready to try out more partners.
Want to show her what you got? Call!

Alisha

Anniversary Gift

Alisha and her husband have been married for 8 years and their 9th anniversary is just around the corner. This loyal, loving wife is giving her hubby the ultimate gift, a chance to immortalize his wife at her dirtiest. He's always fantasized about fucking her while someone films them and she's finally ready to give in. It's funny lately she's been humming Madonna's "Like A Virgin". We wonder why.

Being a conservative housewife, she's a bit tense at first, but she knows, that she's the only one who has what it takes to get her man hard as a rock. Showing off her curves and pussy loosened her right up!

This gift begins with a proper throat fucking! "Fucking my mouth, makes him happy, what makes him happy makes me happy!"

The mood is set, and she now, she's best friends with the camera! She wants to get perfect shots for her hubby.

Screwing her cunt so hard, seemed to open up a new side of her, a side that she welcomed with open legs!

After this year’s anniversary present, Alisha, can’t wait for next year! Maybe her hubby wold like to someone else join the party
Find out, give her a call!

TAKING SOME BACK

As soon as I opened the front door, I heard grunting and groaning of the sexual kind.

I was home early from work, not feeling too well after logging in way too much overtime. And as I stood at the door, listening to that loud, lusty vocalizing, I felt even worse.

Yeah, I'd been neglecting my wife in my struggle to make ends meet – putting in long hours and weekends, hardly seeing or saying anything to Gloria for days on end, let alone satisfying the woman. But I'd never thought it would come to this.

"Fuck, yeah! You like it in your ass, don't you, you fucking slut!" a man's voice bellowed from down the hall, our bedroom.

And then, as my heart sunk lower than the floorboards, I heard my wife's distinctive voice reply, "Yes! Oh, yes!" Excited, turned-on, breathless. Like I used to get the sexy redhead, before our overwhelming debt load forced me to pull the long hours.

I set my lunch pail down on an end table and slowly and quietly closed the front door, my head hanging. Crushed.

"Fuck, your ass is tight!" that male voice boomed, followed quickly by the sharp, short smacking of flesh against flesh, my wife moaning, "Mmmm, yes!"

And something came over my tired body and brain. Anger, seeping in, and then flaming through. Pure, white-hot rage engulfing me, raising my head up off my chest and balling my fists, washing away the failure and fatigue in a heated rush of boiling blood.

I clenched my teeth and stalked down the hallway, ready and willing and more than fucking able to fight for what was mine, unwilling to be kicked around any more.

I burst into the bedroom and roared,

"You messed with the wrong man's wife, motherfucker!"

And stopped short, staring at Gloria stretched out on her back on our bed, completely naked – all by herself, except for a huge red jelly dong jammed in her pussy, a gay triple-X movie playing on our television set.

"What the…!?" I rasped, not fully comprehending. I'd wanted to beat the shit out of the perverted someone ass-fucking my wife behind my back, and instead I'd found this!

Gloria smiled weakly at me, one hand clenching a lush tit, the other gripping the middle of that monster dildo partially buried in her fur-rimmed pussy, a big blonde muscular guy, reaming the asshole of an equally muscular black-haired guy on-screen. "You're home early," she whispered.

I should've been happy to have found my wife all alone, but I wasn't. I was still seething, mad at her and myself, that she needed a substitute to yours truly to get herself off.

I marched over to the bed and grabbed hold of that flexible dong, yanked it out of Gloria's pussy, then gripped her arm and hauled her off the bed, shoved her up against our bureau with the mirror on top. Her big tits jumped and swayed, her face flushing red as I whacked her quivering butt cheeks with that slickened pussy-plunger.

"Oh my God!" she yelped, her body and the bureau and the mirror jumping, a scarlet streak flashing across the thick, pale flesh of her buttocks.

I grabbed a handful of flame-colored hair and flailed fair ass, walloping my wife's bottom with the sixteen-inch man-substitute, glaring at her in the mirror, watching her sexy body shiver, her hanging breasts shudder, striping her ass with her sex toy over and over, crashing the rubber down across her blushing butt cheeks.

She gritted her teeth and dug her long fingernails into the wood, then provocatively pushed out her heated derriere, defiance and exhilaration in her violet eyes, ecstatic at seeing, and feeling, me taking charge again.

My mind and body coursed with the same wicked adrenaline, getting off on my wife's pain and pleasure, at battering her bum into a blasted mass. Setting her ass and her body and myself on fire.

Gloria's arms and legs shook out of control, and so did I, whaling her butt brick-red and blistered, then tearing off my clothes and greasing up my cock with the hot juices I spooned from her pussy, ruthlessly spearing my prong into her asshole.

"Oh, God, yes, Roy!" she screamed, ripping the dildo out of my hand and plunging it into her pussy, pumping her cunt as I pumped her chute.

I grabbed up her tits and really hammered her flaming rear with my churning thighs, splitting her bung with my pistoning cock while she plundered her twat with the dildo. The pair of us staring at one another in the shaking mirror, grunting and gasping for air, nostrils flared and eyes flashing, urging each other on.

It was red-hot rough sex of the nastiest kind and I could keep it up for only so long, Gloria's hot, gripping bung sucking the semen right out of my flapping balls and thrusting cock.

I clamped down on her tits and howled with release, fucking in a frenzy, superheated jizz exploding out of my ass-reaming cock and dousing Gloria's chute, the brutally dp'ed woman screaming out her own orgasm, the both of us jerking with joy.

I'm keeping my head above water, dammit! And I'm keeping my wife – satisfied!

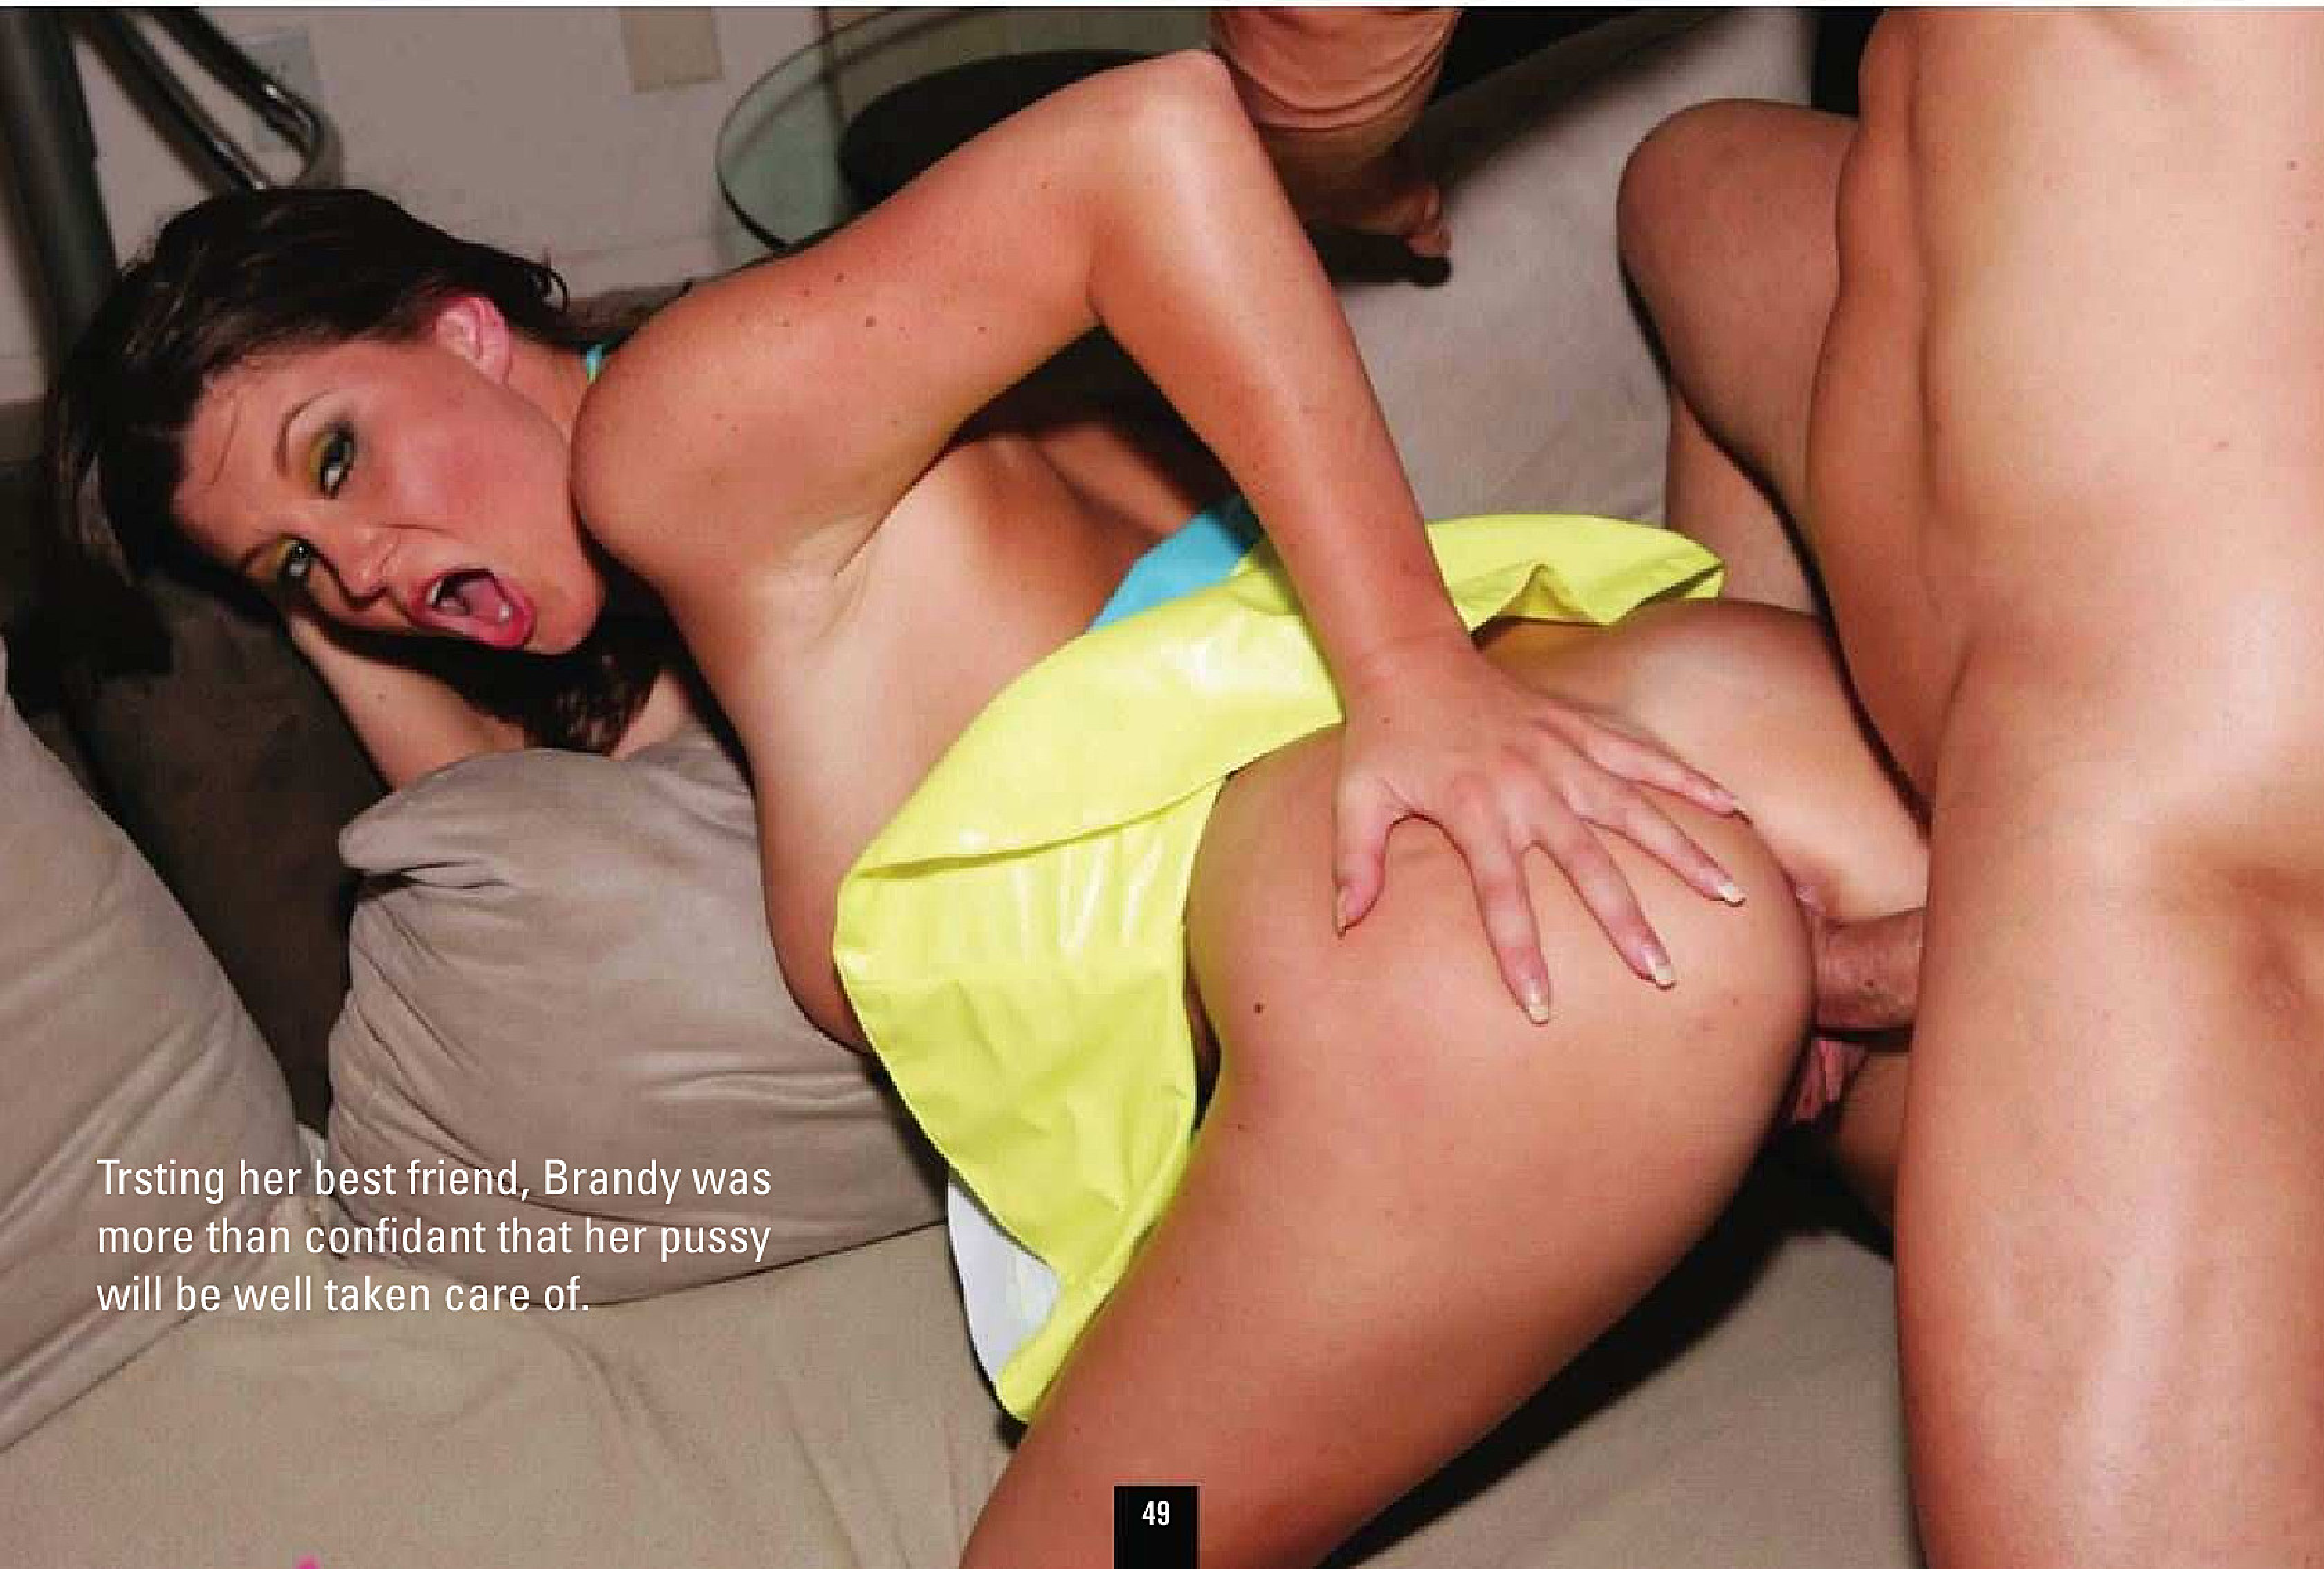
Sara and Brandy met working at a strip club, and have been inseparable ever since. There's a little bit of an age difference but that doesn't stop these hot sluts. In fact they usually end up teaching each other some nasty little things. Now they do everything together; Work,shop,eat, sleep and now, for the first time, they'll be getting fucked together!

Sara, being older than Brandy, knows all the hot spots to pick up some hard, ready, shafts to satisfy their pinks snatches.

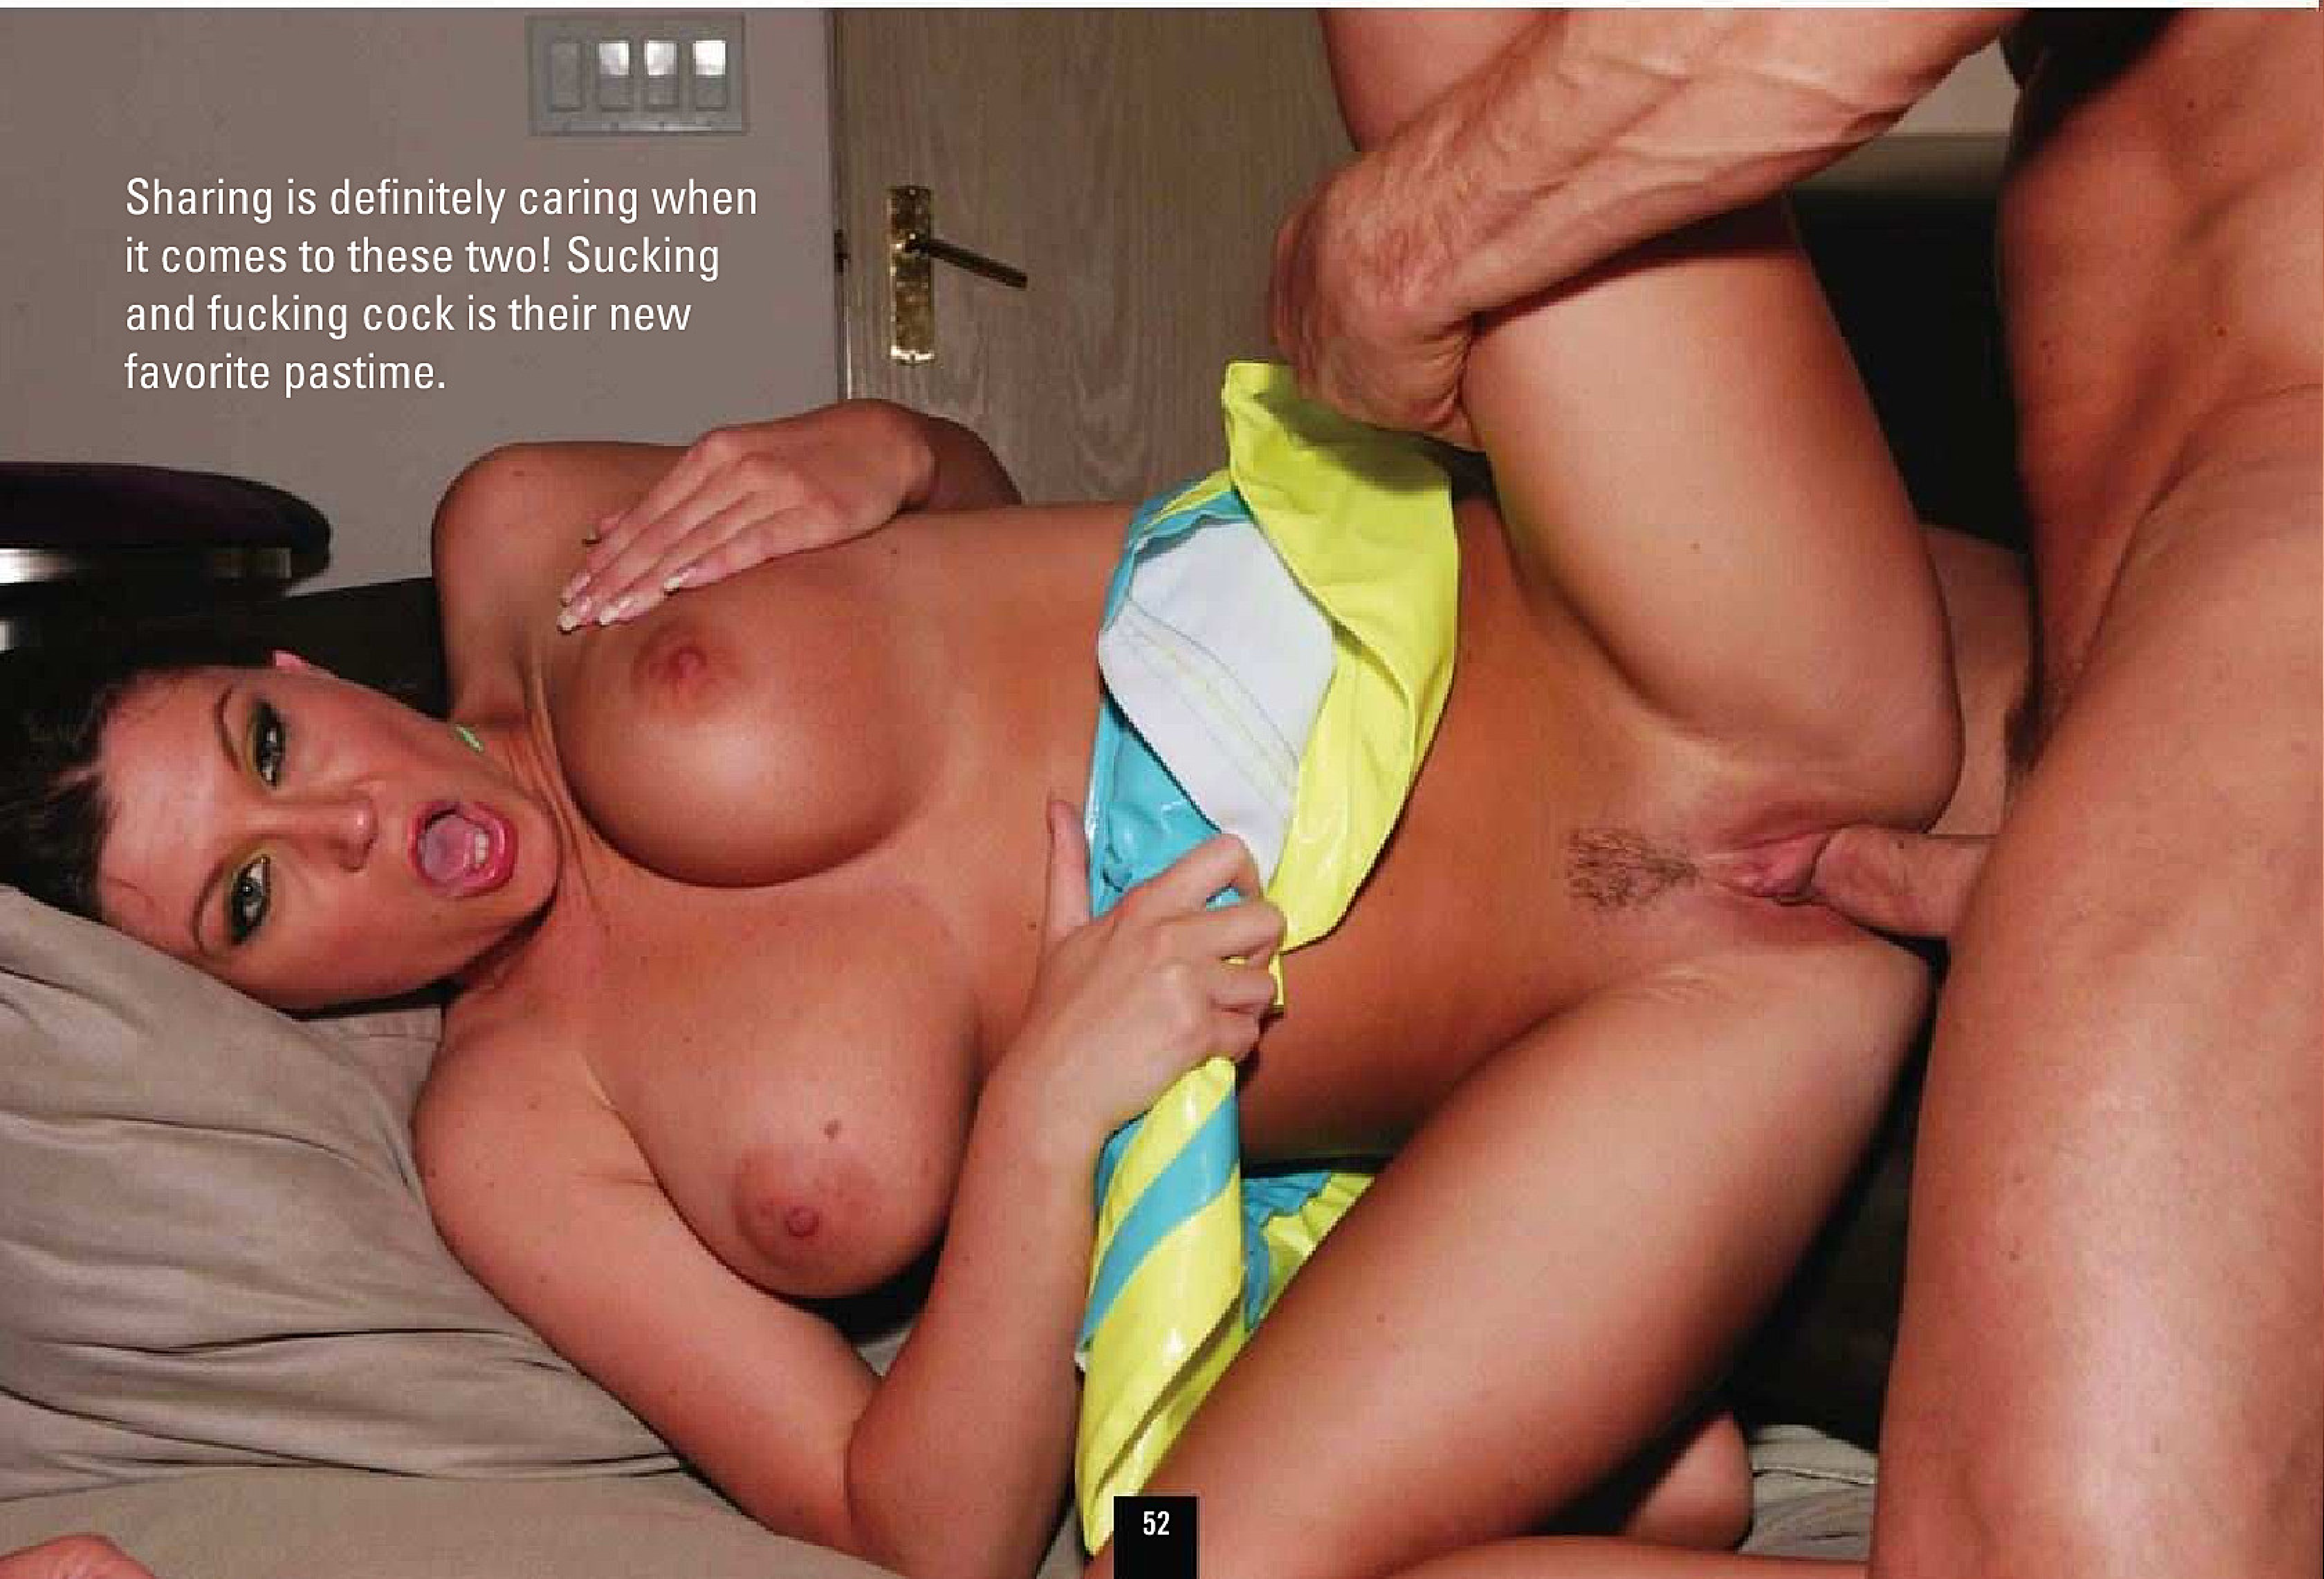
KILL CITY

As promised, Sara supplied her BFF with 2 huge meat-sticks for them to indulge themselves with.



Trsting her best friend, Brandy was more than confidant that her pussy will be well taken care of.

These sluts believe that real friends share everything, down to the cocks they're fucking! "Being greedy isn't very nice!" Says Sara. "What kind of friend would I be if I didn't share my pleasure with her!



Sharing is definitely caring when it comes to these two! Sucking and fucking cock is their new favorite pastime.

Cindy

Watering Her Rosebud.

Cindy is a spoiled stay at home wife. She has everything a girl could want in life but she also has a cheating scoundrel for a husband. Knowing he's away on business, most likely with his secretary, she's going to get her fill of the gardener, Jason who's more than willing to use his hose on her pink rosebud. You know what they say, don't get even, get laid.

Knowing her husband was cheating, only made her hornier and eager. She couldn't wait to have her mouth full of hard meat. Jason was all too willing to comply.

"Revenge is sweet but getting fucked is even sweeter" is obviously one of Cindy's mottos. With a pussy full of cock, Cindy forgot she even had a husband.

She proudly let him invade her dripping pussy, with his "garden hose", on her husband's favorite lawn chair. The satisfaction of fucking on her hubby's favorite chair was too much for Cindy and soon she was experiencing her first mind-blowing orgasm.

Thoroughly satisfied, Cindy decided to give her lover access to a place she had always denied her husband. You guessed it, she wanted his cock in her butthole.

Feeling his boner at the rim of her pink star-fish made her want it, ALL of it, right away. Squeezing his way in her tiny ass hole, making sure she really does get her fill of is hose.

After an afternoon like that, she's all about getting even, again and again. Do you think you can help her release some well placed anger?

Victoria

The Whore Next Door

Victoria is a hot, single slut, who strives to get her, always ready pussy, fucked. As the neighborhood whore, she knows she can get anybody she wants! Earlier today, she noticed someone new moving-in across the street. Some fresh meat for this cock craving slut was just what the doctor ordered and she wasn't going to let this one get away.

Preparing for a pounding is a must for Victoria. A nice bath bubble bath, to relax all of her holes, always does the trick.

Of course, she's going to show off her skills to the new guy in town. A deep, throat fucking is sure to keep him coming back for more.

She's a slut, and proud of it. If he's married or not, is the last thing on her mind, thick, hard cocks pounding her wet coochie is all that's on her dirty mind.

The new guy was most definitely not expecting this kind of welcome to the neighborhood, but surely, he's feeling VERY welcomed with her nookie sucking in his rod.

If you would like this type of welcome Victoria is your girl! Welcome to the neighborhood boys.

Words To Get You Off

PHONING IT IN

P"Let me put you on speaker, honey," Jerome said to his wife on the phone. "My hands are kind of full at the moment."

His weren't – not yet – but mine sure were. I smiled up at the guy, my right hand gripping his long, hard cock around its base, my left hand squeezing his nut sac, on my knees on the floor of his office, just peeking out from under his oak desk, in between his legs.

I bent his stiff prick down and took his huge purple cap in my warm, wet mouth, and sucked on it. He groaned, just as his wife came through loud and clear, her shrill voice filling the spacious office. "I want a divorce!" she demanded.

"Please, honey, things aren't that bad," the smooth-talking corporate lawyer soothed. Then he gritted his teeth, as I slid my wet crimson lips further down his vein-popped pipe, sealed all but a couple of inches in my velvety mouth and bobbed my head up and down, sucking on his meat.

"Aren't that bad!? I know for a fact you're having an affair with your secretary!" Mrs. Jerome Green bawled over the phone.

I gagged on her husband's cock, laughing, then got my wet-vaccing rhythm going again, quick and hard, sensually pulling on the man's throbbing prong.

I'm Jerome's secretary, and yes, we're having an affair. An exceptionally torrid one. As soon as the curly-haired stud had gotten one look at my curvy figure filling out that body-hugging black wool dress I'd worn to my interview, he'd hired me on the spot, and we'd been having red-hot office sex ever since.

The first time was during the Christmas party, in the supply room – me up on the counter with my legs spread, he pounding into me, hands and mouth all over my tits. It'd escalated from that drunken start, my personal favorite being the time he'd fucked my ass raw in the men's washroom, as one of the company's biggest clients was taking a leak and washing his hands just outside. I didn't walk straight for a week.

Now, he dug his fingers into my shimmering black hair, trying to control my rapidly moving head, because I was going wild on his cock, the musky scent of his balls, the heated, pulsing feel and taste of his shaft spurring me on, diving deep, taking his dick right down my throat, nosing his pubes, then pulling back up again, his snake gliding glistening out of my mouth. Over and over, faster and faster.

"Fuck, yeah! I-I mean, fuck no, I'm not having an affair with Ms. Lemoine," he protested to his wife. "Where'd you get a crazy idea like that?"

The wet, wicked sucking sound of my mouth and lips and tongue on her husband's pole, his labored breathing, had to be audible to Jerome's wife on the phone, but I guess she was just too wound up to recognize the sexual sounds, because she wailed, "Thelma Rickard told me! Mr. Tuska's paralegal!"

Jerome pumped his hips, trying to fuck my mouth as fast and as hard as I was sucking his cock, and failing.

"That bitch doesn't know what the hell she's talking about!" he yelled back. "She's just trying to make trouble!"

He was right on that count, at least, because he'd been banging the fat redheaded slut before I'd come along, had dumped her like a losing case when I'd opened up my legs, and mouth, leaving the woman angry and bitter, vengeful.

I pulled Jerome's cock out of my mouth with a sloppy pop, then swirled my long, pink tongue around the gleaming hood, grinning up at the squirming man, before pulling my stretchy orange top down off my shoulders and exposing my creamy-white jugs, sticking his dripping dong in between them.

"Shit!" he yelped, his body jumping, as I wrapped his prick up in the heated flesh of my big tits.

"What!?" shrilled his wife.

"I-I said that Thelma Rickard is a… shit-disturber, honey. There's absolutely no truth to what she says." He gripped the padded armrests of his executive chair and arched his butt up off the leather, pumping his hips, churning his cock back and forth in my suffocating cleavage.

"Weeell…" his wife pondered on the phone, the dumb cunt ready to buy the cheating guy's story, wanting to believe. Plus, she wasn't about to give up her lavish lifestyle with the shyster lawyer before she'd built up enough years to ensure a big divorce settlement.

"I love you, honey!" Jerome grunted, his cock flying in between my pressed-together floppers, fucking my cleavage in a frenzy.

I stuck out my tongue and gave his peek-a-booing cap a warm, wet spot to hit home, his shaft pistoning my tits.

"Well… I love you, too, darling," his wife finally conceded. "I'll see you…"

The rest of her soap was lost in her husband's wild bellow of raw, adulterous pleasure. Hot semen spurting out of the tip of his furiously thrusting cock and striping my eager face and outstretched tongue, jetting into my open mouth. His body and chair shook out-of-control, his cock jumping and shooting in the pillowy cradle of my piled-up tits.

His wife finally caught on, raging over the open phone line, "And just what the fuck was that, Jerome!?"

Titty-fuck, lady. One of my specialties.
